Dear Potential EMS Vendor:

Please find enclosed the vendor information for each of the 2014 GAEMS conferences. Our vendors are what allows us to maintain our registration cost so we can keep the conferences affordable for each EMS professional in the State. It's our goal to make our vendors feel that they're receiving a benefit for the cost that they're spending. We sincerely hope you will consider being one of our EMS Vendors and help us in our goal to improve Emergency Care through education.

In addition to the Exhibitor Applications for each conference, GAEMS has a GAEMS Corporate Sponsor Program. For those vendors that attend multiple GAEMS conferences, this option will provide your company with savings and additional benefits. Corporate Sponsorship Packages are limited and will be assigned on a first come first serve basis. If you would like more information on the corporate sponsorships available please let Kim or I know.
