## 5. Student Commitment Verification

I understand that this program requires me to travel and be away from work and home for four (4) **up to** one-week sessions each in 2022. I understand that this is an intensive training program that will require completion of homework, interim assignments, projects, reading, and any other activities specified by the Course Coordinator or Program Director. I understand that the training I will receive will only help my service if I am dedicated to sharing my knowledge with all other service members. I am committed to the completion of the program and understand that I could be required to reimburse GEMSA for course expenses incurred if I choose to quit the course (unusual circumstances will be evaluated on a case-by-case basis by the Program Selection Committee).

My signature below indicates my full commitment to the Emergency Medical Services (EMS) Leadership Education and Training Program.
